THE LABOR UNIONS

Are Making Extensive Preparations for Their Celebration

ON THE TWENTY-FIFTH OF AUGUST

At the State Fair Grounds—The Street Demonstration Will Be a Cracker-Jack Affair—Four Thousand May Be in Line—Many Other Towns Will Be Represented—Special Race Arranged.

The prospects are that this year's celebration of labor day will be the best in the history of the celebrations under the auspices of the Ohio Valley Labor and Trades Assembly in this city. The organized laboring people are taking more interest in the coming celebration on the state fair grounds, Saturday, August 25, than in any other, and the result will be a cracker-jack affair. Last evening the carpenters' organization met at Trades Assembly hall and decided to participate in the street demonstration to their entire strength and to invite their brother workmen from surrounding towns.

Steuersville is aroused and promises to send down a big delegation of carpenters and tailors together with many of their friends. All of the over the river towns are taking an unwonted interest and will be well represented. And then there is Wheeling, from which will come the bulk of the attendance—her organized labor will be there in all its might. One organization alone, the Knights of Labor assembly of iron workers, of the Riverside mills, promises to have seven hundred men in the labor parade. The other organizations are equally alive this year and the outlook is that there will be from 3,500 to 4,000 men in line. The Typographical union, which heads the third division, will make a fine spectacle, special uniforms for the occasion having been ordered.

The amusement committee is considering the advisability of adding another trotting race to the speed programme. This will be decided at the meeting of the committee to-morrow.

A special match race between the trotting horses of Michael Agio and Edward Elliott has also been arranged with a \$50 purse, and it is said this will be an interesting event.

SHIELD OF HONOR PICNIC.

To-day's Big Event Down at Mozart Park.

The grand united picnic to be given to-day under the auspices of the three city lodges of the Shield of Honor promises to be a very enjoyable and successful event. It takes place at the hill-top resort, Mozart park, and will be preceded by a big street demonstration with a band of music. For the parade Chief McMichael, of the police department, has detailed the following officers as an escort: Snyder, Bach, Trischler, Rolfe, Fitzgerald and Devlin, with Lieutenant Lukins in command.

A number of interesting events are scheduled to take place at the park in the afternoon, including a foot race with a gold Shield of Honor pin as first prize; bicycle race, gold I. A. W. pin first prize; foot race, box of cigars first prize. The grand cake walk will be the attraction in the dancing pavilion at 8 p. m. Mayor's full orchestra will play. The parade will be headed by Chief Marshal Thomas Maybury, who has arranged the line of march as follows: Form on Fourteenth street, on Fourteenth to Main, to Twelfth, to Market, to Twentieth, to Main, to Twenty-fourth, to Chapline, to Thirty-third, to Edd, to Thirty-ninth, to Jacob, to Forty-third street, and on Forty-third to foot of incline.

Dismantling the Old Mill.

The work of taking out the machinery in the big Pollock flouring mills, corner Fourteenth and Market streets, preparatory to the building being torn down, is going on rapidly, and early next week it is thought the first brick will be taken out of those old walls that have stood the brunt of many a storm. Under the terms of the contract with Deltz, Flading & Co. three of the walls are to be razed to the ground, the only one to be left standing being the south wall adjoining the Masonic block. With this exception the building that is to be occupied by House & Hermann will be entirely a new one. It is expected the building will be ready for occupancy before January 1, 1895.

For Robbing a Car.

George McGowan, Peter Kemp and a young companion named Koney, were arraigned before Squire Gillespy yesterday on a charge of robbing a watermelon car on the Pan Handle road. They were held in \$500 for a hearing. Kemp gave bond and the others went to jail.

Coss, the Martin's Ferry man who assaulted Kedehever, watchman at the Union bridge, the other night, knocking off a portion of his ear, was held for the next term of the criminal court, and in default of \$1,000 bail was sent to jail.

CLAIMS AGAINST THE CITY.

A Meeting of the Council Committee last Evening—Several Ordinances Presented. The council committee on claims met last night, with Solicitor White. Several alleged grievances against the city were aired, the first that of David O'Leary, who claims that by constructing a new street through Henderson's addition, on Jonathan's ravine, the city injured his property. The committee listened to his tale of woe, and then decided to meet at 2 p. m. Monday to inspect the property.

William Crogan claimed that his property in Alley 19 east of Edd street was injured by the establishing of a new grade, and that it was so damp as to rot the carpets on the floor. John A. Howard stated his case, and in executive session the committee agreed to recommend that council allow him \$250, if he would waive all further claims. This, after consultation, Mr. Howard accepted for him.

Crawford McCracken some time ago had a horse killed under circumstances for which he thought the city to blame. He sued the city, but three times was beaten, and the costs finally aggregated \$37. Last night he asked the committee to relieve him of part of this sum. He said he had borrowed \$50, and was willing to pay this. The members did not see how they could afford any relief, and Colonel White thought it would be a bad precedent to pay any part of the costs. It was stated that by his two horses had been levied on for the sheriff to satisfy the costs. Finally it was decided to stay execution if McCracken gave security in the next ten days for the full amount, \$37.

Rev. Mr. Walker, a colored minister, his wife and Dr. Stealyard, were present, also Attorney Cyrus P. Flick, representing them. On October 11 of last year Mrs. Walker, in walking in a dark alley leading south from Eleventh street, east of Chapline, stepped off a high stone wall which had no protection, and was seriously injured. She asked the city to pay her damages. Mr. Flick said she would accept \$500. After some discussion the committee decided to view the place next Monday afternoon.

Held for Obstructing Trains.

Charles Davis was arrested at Moundville Thursday on a charge of obstructing trains on the Baltimore & Ohio railroad at the time of the coal miners' strike last June. He was given a preliminary hearing before Justice Orswell and was bound over to the grand jury. He is the party who was arrested on June 10 for contempt of the United States court and was sentenced to sixty days in the Ohio county jail. He had been out only long enough to eat one meal at home when arrested on the second charge.

Brought to Justice.

Hiram W. Jones, of Barton, was fined \$25 and costs by Judge Tallman, of Belmont county, for obtaining property under false pretenses. During the recent coal strike Jones and others scoured the country with a wagon soliciting provisions, saying they were authorized to do so by the miners' union, when they appropriated the stuff for their own use.

IT'S EASY TO GET IN, where there's a sluggish liver, for any of the germs of disease that surround you. If your liver were active and healthy, it would keep them out of your blood. You have to watch your liver for self-protection. Just as soon as you see the first symptoms that it's wrong (eruptions on the skin, or a dull and worn-out feeling) you ought to take Dr. Pierce's Golden Medical Discovery. That will start your liver into a healthy, natural action, purify your blood, keep it pure, and give you strength and color, and put on needed flesh—not fat, but wholesome, necessary flesh.

Dr. B. V. Pierce: Dear Sir—I heartily recommend your "Discovery" to any person suffering from general debility as the best thing they can take for it. After taking the "Discovery" I am happy to say I never felt better in my life than I do now.
